## COVID-19 Petition

### to Change Grade to S/U

Due to the Coronavirus pandemic, students may petition Admissions and Records to change their final letter grade to a Satisfactory/Unsatisfactory grade once the letter grade is posted through completing this petition. Because this change may cause unintended consequences such as loss of scholarships, impacts on graduate school and professional school applications or athletic eligibility. Students must consult their academic advisor, the Office of Financial Aid and Scholarships (if applicable), and athletic advisor (if applicable) at a minimum. Consultation with other offices also may be suggested to assist students in making an informed decision. Once a degree is posted, all grades are final. An "S" grade will meet all enrollment and degree progression requirements regardless of original letter grade; however, students are urged to be mindful of academic preparation needed for student academic success.

**Eligible Terms for petition:**
